Mr. Edward V. Kilduff
Executive Director
Family Service Bureau
15 Fulton Street
Newark, New Jersey 07102

Dear Ed:

I have a very rough year shaping up and I thought I had better inform you promptly about this.

Owing to an unusually heavy schedule of assignments and projects which I will be directing for the Library and the New Jersey Library Association, I shall be compelled to relinquish the Chairmanship of the Case Committee. It is quite likely that I will miss several of the meetings. It seems to me that one of the retired or unemployed people, such as Mrs. Warren, who have more time for extra-curricular activities might be given a chance at the chairmanship. I am, however, interested in the Committee and would like to remain on it.

Hope you had a good vacation - am now starting on mine.

Sincerely

Bernard Schein
Deputy Director
